## **CARG Infrastructure Grant Pilot Project Award Application**

### **A. Description of Project**

Provide a summary of the project. Do not exceed 5 pages of text. Margins: 0.5", Font: Arial, 11point, single-spaced.

Please follow the format below:

#### Specific Aims:

State concisely and realistically what the research is intended to accomplish and/or what hypothesis is to be tested.

#### Significance:

Explain the importance of the problem or critical barrier to progress in the field that the proposed project addresses. Explain how the proposed project will improve scientific knowledge, technical capability, and/or clinical practice in one or more broad fields.

#### Innovation:

Describe any novel theoretical concepts, approaches or methodologies, instrumentation or intervention(s) to be developed or used, and any advantage over existing methodologies, instrumentation or intervention(s).

#### Methods:

Succinctly describe the methods and statistical considerations to achieve the aims.

#### PI/Co-investigator Roles:

Describe the roles/responsibilities/qualifications of the PI and any co-investigators including plan for collaboration

#### Timeline:

Provide a bi-monthly timeline.

### **B. Detailed Budget Justification**

Detailed budget justification for each institution
