Grant Funding: 25 Million received by CARG members utilizing CARinG

### **R33 RENEWAL SPECIFIC AIMS**

### Aim I:

Expand the reach of the infrastructure, through use of the Cores, to facilitate the design and rigor of CARG's aging and cancer research.

### Aim 2:

Facilitate highpriority, impactful research at the interface of aging and cancer through pilot awards and the conduct of large, competitive multisite studies.

#### Aim 3:

Identify, cultivate, and mentor CARG investigators for leadership in aging and cancer research to develop the next generation of leaders in the field.

### Aim 4:

Build greater capacity for engagement with older patients with cancer and caregivers through CARG's patient advocacy group (SCOREboard) to further grow patient-centered aging and cancer research.

### Aim 5:

Develop and disseminate geriatric oncologyspecific content including best clinical practices, research findings, and opportunities for collaboration and advocacy through a communication strategy using multiple platforms and channels.
